👩‍💻 Experience (Projects)

👟 Nike Store

About: A responsive E-Commerce landing page for Nike Shoes

Tech Stack: HTML5, CSS3

E-commerce

https://nike-store.netlify.app/#

🖼️ Pixabay

About: A responsive image finder web app which displays images by fetching **Pixabay API**

Tech Stack: React.js, Material-ui

Pixabay Image finder

Web site created using create-react-app

https://pixbay-images.netlify.app/

🏰 Hotel Phoenix

About: A responsive hotel website having multiple inner HTML pages

Tech Stack: HTML5, CSS3

> **PHOENIX**
> It all started in 1919, when Conrad Hilton bought his first hotel. Since then, we've led the industry with our innovative approach to products, amenities and service. Today, Hilton Hotels & Resorts stands as the stylish, forward thinking global leader of hospitality. Take a look at some of our most important, guest-focused firsts along the way.
